

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Patent No.: 7,696,148
Issued: 04/13/2010
Filed: 03/03/1999
Serial No.: 09/291,656
Name of Patentee: M. Peters-Golden, T. Standiford
Title of Invention: **Administration of Products of the 5Lipoxygenase Metabolic Pathway to Enhance Antimicrobial Defense**

**REQUEST FOR CERTIFICATE OF CORRECTION OF
PATENT FOR APPLICANTS MISTAKE (37 CFR § 1.323)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

**ATTN: Decision and Certificate of Correction
Branch of the Patent Issue Division**

Sir or Madam:

1. On May 27, 2010, Applicants submitted a Request For Certificate Of Correction Of Patent For Applicant's Mistake (Tab1). On July 13, 2010, the Office of Petitions dismissed the petition based on the Assignment Recordation that reflected Virocell Inc. as the Assignee of record (reel/frame number 012665/0809) (Tab 2).

Since Virocell Inc. held a Confirmatory License (only) with the University of Michigan on this application and not Assignment rights, Applicants contacted the Assignment Division at the USPTO to correct the Recordation History. On 09/14/2010, Applicants spoke with Supervisor Rhonda Nichol and confirmed the materials submitted on behalf of patent 7,696,148 demonstrated only a Confirmatory License between University of Michigan and Virocell, Inc and not a transfer of Assignment Rights. Supervisor Nicol concurred the information in the Recordation history was reflected inaccurately and subsequently updated the Recordation information. (Tab 3)

Applicants submit that 35 U.S.C. 262 III explicitly states "A license is not an assignment of the patent. Even if the license is an exclusive license, it is **not** an assignment of patent rights in the patent or application." Therefore, Applicants respectfully submit the Assignee of record continues to be the University of Michigan

and as such, Applicants hereby resubmit the request for a certificate of correction of Patent For Applicants Mistake.

Applicants do not believe any additional fees are required at this time, since the initial Request for Certificate of Correction was rejected based on the Assignment Recordation information, which was posted incorrectly due to a USPTO error. Therefore, applicants submit the \$130.00 processing (petition fee) submitted and accepted on May 27, 2010 should be honored in the instant submission.

2. Applicants re-submit herewith Form PTO-1050 in a copy being suitable for printing and the requisite fee under 1.20(a)
3. The name of the Assignee was inadvertently printed on the Issue Fee form PTOL-85, which subsequently appeared on the cover page of the issued patent (item 73 Assignee)

The Assignee's name was printed as:

Board of Trustees Of Michigan State University, East Lansing, MI (US)

The Assignee's name should be:

The Regents Of The University Of Michigan, Ann Arbor, MI (US)

4.

The Applicant submits the error was typographical and occurred without deceptive intent. The Applicant respectfully requests to have the Certificate of Registration corrected to reflect the correct Assignee name.

5. Please send the corrected Certificate to:

Peter G. Carroll
MEDLEN & CARROLL, LLP

MAILED
JUL 13 2010
OFFICE OF PETITIONS

In re Patent No. 7,696,148 :
Issue Date: April 13, 2010 :
Application No. 09/291,656 : DECISION ON PETITION
Filed: March 3, 1999 :
Attorney Docket No. UM-03662 :

This is a decision on the Request For Certificate Of Correction Of Patent For Applicants Mistake (37 CFR §1.323), filed May 27, 2010, which is being treated as a Petition Under 37 CFR 3.81(b) to identify "The Regents Of The University Of Michigan" as the correct assignee to the Title Page of the Patent via a Certificate of Correction.

The petition is **DISMISSED**.

Petitioner urges that the present Petition was submitted to identify "The Regents Of The University Of Michigan, Ann Arbor, MI (US)" on the previously submitted PTOL-85B and that such error was inadvertent.

37 CFR 3.81(b), effective June 25, 2004, reads:

After payment of the issue fee: Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 **before issuance of the patent**, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter [emphasis added]. See also MPEP 1481.01.

A review of United States Patent and Trademark Office (USPTO) records reveals that assignment documents were recorded at Reel: 012665, Frame: 0809 on March 12, 2002. A recordation cover sheet (Reel: 012665/Frame: 0809) identifies inventor The Regents of the University of Michigan as the conveying party and Virocell Inc. as the receiving party. As such, the instant petition cannot be granted.

However, the requisite \$130.00 processing fee (Fee Code 1464), as set forth under 37 CFR 1.17(i), was accompanied deposit account authorization to charge any required fees. As such, the fee has been charged as authorized.

Inquiries related this communication should be directed to the undersigned at (571) 272-3213.

A handwritten signature in cursive script, reading "Cheryl Gibson-Baylor".
